AWARD

1. This is reference made by the Central Government in exercise of powers under clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947 vide Government of India, Ministry of Labour & Employment, New Delhi vide its order No. L-31012/2/2009 – IR (B-II) dated 29.12.2009. The terms of reference given in the schedule are as follows :

> *"Whether the action of the Management of M/s. Orient Transport Co., (Custom House Agent), 7/10 Botawala Building, 3rd floor, Horniman Circle, Fort, Mumbai – 400 001 in terminating service of Shri Shivaji Gadhave, ex-carpenter by way of retrenchment notice dated 31.12.2008 is legal, just and proper ? To what relief the workmen is entitled to ?"*

2. After the receipt of the reference, both the parties were served with the notices.

3. This is an application for disposing of reference on the ground that the matter is settled in December 2012. The concerned workman has received the post-dated cheques and the cheques were encashed.

4. On going through the documents, it appears that cheques were issued to the concerned workman and the cheques were encashed.

5. On going through the Roznama, it appears that the workman is absent since long but then on going through the receipt Ex.14, it appears that the concerned workman has confirmed that the retrenchment is legal and that he shall be withdrawing the reference. He has further confirmed that he has accepted the amount willingly and that he will not have any right for claim against the company.

6. As per order on this receipt, parties and advocates were present on that day. They admitted the contents but since the cheques are post-dated, the matter is kept for disposal after they are encashed. Now the cheques are also encashed.

7. In view of application Ex.15, it appears that the second party workman has filed this application for proceeding with the matter on merits on the ground that even assuming that there is settlement of the dispute then court derives the jurisdiction to decide the fairness of the said settlement and therefore the dispute may be decided on merits.

8. On going through the reply given by the first party vide Ex.18 on his application Ex.15, it appears that the second party workman signed the settlement in presence of witnesses and admitted that he would withdraw the reference on receipt of full & final settlement. Since the concerned workman has received the entire amount, now it cannot be permitted to say that the cheques and the amounts were received by him under protest. If according to the concerned workman the fairness of the settlement is to be verified then the fact is clear from the order on Ex.14 that the concerned workman has admitted the contents of the settlement. Even thereafter the concerned workman is absent and he has not adduced evidence to show that the said settlement was unfair. Once the concerned workman has admitted the contents of the settlement, received the post-dated cheques, it were encashed and then admitted that he would withdraw the reference then the fact remain that the settlement is acted upon which can be said to be fair on the basis of which the application is filed for disposing of the reference.

9. Considering all these facts in view of settlement, the concerned workman has no right or claim against the first party. Therefore, in view of settlement the reference is disposed of.

4. Accordingly I pass the following order.

ORDER

Reference is disposed of in view of settlement.

FOR THE WORKMEN : Mr. J. H. Sawant, Advocate

AWARD

1. This is reference made by the Central Government in exercise of powers under clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947 vide Government of India, Ministry of Labour & Employment, New Delhi vide its order No. L-31011/2/2008 – IR (B-II) dated 15.05.2008. The terms of reference given in the schedule are as follows :

> "Whether the action of the management of Mumbai Port Trust by not taking the actual date of recruitment in case of Smt. S.M. Bhagat, Nursing Sister and six others is justified ? If not, what relief the union is entitled to ?"

2. After the receipt of the reference, both the parties were served with the notices. They appeared through their respective representatives.

3. Second party union filed statement of claim Ex.9. According to the second party union, the workmen concerned with the reference are appointed by the first party against the vacancies of the sanctioned post of Nursing sister from the dates shown against their names in col.3 as follows.

Sr. No.	Name of Nursing Sister (Sr.)	Date of entries in services / Appointments to be made in service record of Mb.P.T.
(1)	(2)	(3)
1.	Smt. S.M. Bhagat	12.8.1991
2.	" A.A. Bodhani	12.8.1991
3.	" Latika Kadam	22.8.1991
4.	" Jyoti More	22.8.1991
5.	" Lata Sawant	22.8.1991
6.	" Purnima Sawant (Madhuri Rane)	2.9.1991
7.	" Madhuri Dalvi	5.9.1991

4. According to the second party union the concerned workmen attended the duties in the nature of Jr. Nursing Sisters from the dates shown in the above column. They were paid wages and allowances in grade attached to the post of Nursing Sister [Jr.]. They were attending the full-fledged duty attached to the post of Nursing Sister [Jr.] along with other workmen. They were fully qualified for the post and were appointed for the post by following prescribed procedure. They are in continuous service of the management from the dates shown against their names in col. 3 above.

5. It is the case of the second party that it was obligatory on the part of first party, the management of Mumbai Port Trust, to enter the above said dates in the service record of the second party as dates of entries / appointments in the services of these workmen and to give them all consequential benefits including the benefits of seniority and promotional opportunities. Instead of entering correctly the dates of entries / appointments in the service record of the second party, the first party has recorded wrongly their dates of appointments as shown in Col. 3 as under.

Sr. No.	Name of Nursing Sister (Sr.)	Date of entries in services / Appointments to be made in service record of Mb.P.T.
(1)	(2)	(3)
1.	Smt. S.M. Bhagat	7.3.1992
2.	" A.A. Bodhani	27.5.1992
3.	" Latika Kadam	10.11.1993
4.	" Jyoti More	24.12.1992
5.	" Lata Sawant	28.12.1992
6.	" Purnima Sawant (Madhuri Rane)	28.12.1992
7.	" Madhuri Dalvi	21.9.1992

6. According to the second party union, Smt. Swati Alwe & 7 other Nursing sisters have been appointed after the appointments of second party workmen. Instead of considering the correct dates of entries / appointments in the service record of second party workmen and granting them seniority and promotion on that basis, the first party has granted seniority and promotion to Smt. Swati Alwe and others by suspending the claim of Smt. S.M. Bhagat & 6 others (second party workmen concerning the present dispute), though Smt. Alwe & 7 others have been appointed in the post of Nursing Sister [Jr.] after the dates of appointments of Smt. S.M. Bhagat & 6 others. The names of Smt. Swati Alwe & 7 other Nursing sisters and their date of appointments are shown below:

Sr. No.	Name of Nursing Sister (Sr.)	Date of Appointments
(1)	(2)	(3)
1.	Smt. Swati Alwe	14.10.1991
2.	" Akshata Shetwe	14.10.1991
3.	" Vishalaxi Putran	2.3.1992
4.	" Ranjana Awate	7.3.1992
5.	" Savita Sawant – (Warang)	10.4.1992
6.	" Manisha Sakpal	5.5.1992
7.	" Prajakta Chavan	15.6.1992
8.	" Snehal More	16.10.1992

7. It is thus case of the concerned second party union that the action of the first party in not entering correctly the dates of entries / appointments in the record in their respect and not granting them benefits of seniority and promotional opportunities on the basis of said dates of entries in the service /appointments of these 7 workmen and further granting seniority and promotions to Smt. Swati Alwe & 7 other juniors named above by suspending the second party workmen is illegal, unjustified. Therefore, the second party workmen are entitled to the relief to the extent of entering the correct dates of their joining, the service with all consequential benefits including the benefits of seniority, their promotion to the post of Nursing Sister [Sr.] w.e.f. 1.5.2001 i.e. on the date on which the workmen Smt. Swati Alwe who is junior in service to them has been granted the promotion to the post of Nursing Sister [Sr.].

8. According to the second party workmen, union by its letter dated 12.3.2007 raised the industrial dispute before the Conciliation officer and the ALC [Mum.] over the appointment. Conciliation failed and therefore the dispute is referred to the tribunal.

9. First party management Mumbai Port Trust has resisted the claim by filing written statement Ex.10 contending therein that the recruitment to all the posts in Mb.P.T. is done in accordance with the provisions made in MbPT Employees' [Recruitment, Seniority and Promotion) Regulations,1977(hereinafter referred to as RSP Regulations).Fixation of the seniority on appointment to the substantive post in the cadre is done in accordance with the provisions made under RSP Regulations. In terms of Regulation 18 of RSP Regulations, post intended to be filled by direct recruitment are required to be advertised. If it appears that local employment exchange is not in a position to recommend the names of suitable candidates. Copies of the notification and advertisement are required to be sent to each association recognized by the Central Govt. as representative of Scheduled Castes and Scheduled Tribes so as to comply with the orders relating to their requisite representation in the services. Regulation 17 of RSP Regulations deals with the manner of the direct recruitment. It provides that in case of immediate necessity and when the waiting list is used up, purely temporary appointment can be made by the Chairman or by the Dy. Chairman pending selection by appropriate service selection committee / consultant or firm of consultant as the case may be.

10. It is also a case of the management that 11 such vacancies of Nursing Sister [Jr.] were filled up on temporary basis appointing them as temporary employees within the meaning of Regulation 3(q) of the RSP Regulations pending recruitment of regular candidates. Regulation 11 (3) of the said RSP Regulations which deals with the fixation of seniority provides that direct recruitment shall be ranked inter-se in the order of merit in which they are placed at the examination or interview on the result of which they are recruited, the recruits of earlier examination or interview being ranked senior to those of a later examination or interview. As per the Schedule to the RSP Regulations, the post of Nursing Sister [Jr.] are to be filled by direct recruitment subject to the fulfillment of the age, qualification and experience criteria laid down in that behalf. Accordingly, the vacancies in the post of Nursing Sister [Jr.] occurred in MbPT hospital were notified to the Employment Exchange in the year 1991 in terms of Regulation 18 of the said RSP Regulations.

11. For filling the post by the direct recruitment as and when the names of the candidates including the names of locum candidates were sponsored by the Employment Exchange. They were interviewed and adjudged accordingly depending upon their experience in specialized area and their performance in the interview. The candidates sponsored by the Employment Exchange including 11 Nursing Sister [Jr.] appointed on temporary basis were empanelled in the order of their merit in 4 separate panels for appointment in substantive posts by the Service Selection Committee. Out of 11 temporary candidates, 7 workmen i.e. the concerned workmen who belonging to different select lists can neither claim seniority over the selected candidates of direct recruits from the concerned panel nor from subsequent panels in terms of Regulation 11 (3) of the said RSP Regulations. As such appointment made on locum basis without prescribed procedure was stop gap arrangement. Such locum appointees have no claim for continuance when regular candidates sponsored by the Employment Exchange are available. In view of that demand of the Nursing Sister [Jr.] to give them seniority over the direct recruits ranked higher in order of merit by the Service Selection Committee from the same or subsequent panels is not tenable. The workmen concerned in the above reference were temporarily appointed whereas Smt. Swati Alwe & others were appointed on regular and permanent basis after the regular selection process based purely on merits. Therefore their seniority from the date of their appointment is legal and justified.

12. It is thus a case of the management that there is delay in raising the above reference. Earlier their seniority was fixed in 1991-92. The present reference is raised after a lapse of 12 years claiming seniority over the permanent employees is inadmissible and not justified. The concerned workmen are not entitled to seniority over the 7 Nursing Sisters appointed on regular basis. First party has thus sought the dismissal of the reference.

13. Second party union field rejoinder Ex.11 reiterating the claim on the ground that appointments are against the clear vacancies. They were qualified for the post and as such there is no provision for appointment on locum basis. It was not stop gap arrangement. All the conditions for appointment on the permanent basis were applied in case of the concerned workmen and therefore there cannot be classification among the employees. They also reiterated that they are permanent employees in the first party right from the date of their appointment in the eyes of law and the regulations cannot supersede the provisions of the law.

14. Following issues are framed at Ex.12. I reproduce the issues along with my findings thereon for the reasons to follow:

Sr. No.	Issues	Findings
1	Whether the action of management of Mumbai Port Trust by not taking the actual date of recruitment in the case of Smt. S.M. Bhagat Nursing Sister and 6 others is justified ?	Yes

2.	If not, whether the concerned workmen are entitled to any relief as prayed for ?	No
3.	What Order ?	As per final order

REASONS

Issue No.1.

15. At the first blush, I would refer to the appointment letters issued to the second party workmen which are produced below Ex.47. These appointment letters specifically mention that their appointments to the post of Nursing Sister [Jr.] locum in BPT hospital was on temporary basis until further orders. Even the concerned party workman Ms. Sheela Bhagat has admitted in her cross examination that the workmen under reference were appointed on locum basis accepting that their appointments were on temporary basis as stipulated in their appointment letters. The workmen were aware of the fact that they came to be appointed on adhoc basis in terms of provisions of Regulation 17 of the said RSP Regulations. It is precisely the case of the management that 11 such posts of the Nursing Sister [Jr.] were filled on temporary basis [locum] appointing them as temporary employees within the meaning of Regulation 3 (q) of the said RSP Regulations pending recruitment of regular candidates.

16. It is therefore necessary to see the procedure for making the appointments in MbPT and its application to the present matter. The procedure is as follows:

> "i) Recruitment to all the posts in Mumbai Port Trust is done in accordance with the provisions made in MbPT Employees' [Recruitment, Seniority and Promotion) Regulations, 1977, hereinafter referred to as RSP Regulations. As the name is indicative, fixation of seniority on appointment to the substantive post in the cadre is done in accordance with the provisions made therefore under the RSP Regulations.
>
> ii) In terms of Regulation 18 of RSP Regulations, 1977, posts intended to be filled by direct recruitment are required to be advertised, if it appears that the local Employment Exchange is not in a position to recommend names of suitable candidate. Copies of notifications and advertisements are also required to be sent to such associations recognized by the Central Government, as representative of Scheduled Casts and Scheduled Tribes so as to comply with the orders relating to their requisite representations in the services.
>
> iii) Regulation 17 of RSP Regulations which deals with the manner of direct recruitment provides that in case of immediate necessity and when the waiting list is used up, purely **temporary appointment** can be made by the Chairman or by the Dy. Chairman, pending selection by appropriate Service Selection Committee, Consultant or a firm of Consultant, as the case may be.
>
> iv) As the posts of Nursing Sister [Jr.] in MbPT hospital could not be kept pending or unfilled for a long time, **temporary (locum)** candidates were appointed to meet immediate requirement of Nursing Sister [Jr.] on **adhoc basis** in terms of the provisions of Regulation 17 of RSP Regulations. Eleven such vacancies of Nursing Sister [Jr.] were filled up on **temporary basis (locum)** appointing them as **"temporary employees"** within the meaning of Regulation 3 [q] of RSP Regulations, pending recruitment of regular candidates.
>
> v) Regulation 11 (3) of the said RSP Regulations which deals with fixation of seniority provides that direct recruits shall be ranked inter se in the order of merit in which they are placed at the examination or interview on the results of which they are recruited, the recruits of an earlier examination or interview being ranked senior to those of a later examination or interview.
>
> vi) As per Schedule to the RSP Regulations, the posts of Nursing Sister [Jr.] are to be filled by direct Recruitment, subject to fulfillment of age, qualification and experience criteria laid down in this behalf. Accordingly, vacancies in the post of Nursing Sister [Jr.] occurred in MbPT Hospital were notified to the Employment Exchange in the year 1991 in terms of Regulation 18 of RSP Regulations.

17. Even then the Ld. Counsel for the concerned workmen submitted that the concerned workmen are appointed by the first pary against the vacancies of the sanctioned post of Nursing Sister [Jr.] and as such there is no appointment on temporary basis especially when they were performing full-fledged duty attached to the post of Nursing Sister [Jr.] along with other workmen and that they were never informed during the period of their service that their initial appointment was on adhoc or for any fixed period of time. However, on going through the letter dated 21.10.92, it appears that Nursing Sister [Jr.] locum, M.S. Rane, L.B. Mahaskar, Mrs. L.S. Sawant, L.D. More were informed by memo that their appointment is on temporary basis and continuance on regular basis will depend upon their selection by Service Selection Committee, the interviews for which will be held on 21st and 22nd October 1992. If they are selected, their seniority will be fixed on the basis of merits as adjudicated by the Committee irrespective of the date of joining in the Port Trust. From the documents it is also made clear that as per report of Service Selection Committee notification of vacancies were issued to all principal hospitals in Bombay and the interviews of the candidates in response were held. Thereafter the management appointed Swati Alwe and others on regular and permanent basis after the regular selection process based on merit. Thereafter the seniority list was prepared and notified. It was updated

every year as such it can be seen that the management has prepared the seniority as per the RSP Regulations. If the seniority list is prepared among the selected candidates as per rules and on the basis of merit then it cannot be said that the management has not taken into consideration the actual dates of recruitment in case of second party workmen.

18. The fact remains that earlier the appointments of the concerned workmen were made to fill up the vacancies which were lying vacant on temporary basis till the recruitment process is completed. Such appointments can be said to be on adhoc basis in terms of section 17 of RSP Regulations. It is because the posts which are kept un-filled for long time have to be filled up on adhoc basis by appointing employees on temporary basis. If RSP Regulations are to be taken into consideration in respect of appointment to the post of Nursing Sister on permanent basis on merit then it can be said that management has to follow the rules and to prepare the seniority list as per the rules provided therein. From the documents on record, it appears that the management has followed the recruitment rules strictly and prepared the seniority list after making the appointments of the employees on permanent basis, on merit after going through selection process as is provided therein.

19. This is also made clear from the facts on record to the effect that the dispute was raised by the Nursing Sister [Jr.] locum in MbPT and General Employees Union in the year 2003 over alleged denial of seniority to Nursing Sister [Jr.] locum in MbPT. After discussion, ALC [Mum] forwarded failure report to Ministry of Labour & Employment and Ministry of Labour & Employment by letter No. L-3111/3-204 IR (B-II) dated 18.8.2004 declined referral of that dispute to adjudication. Same union has again raised the another industrial dispute of the same issue and Ministry of Labour & Employment found that no dispute existed since the seniority of the candidates appointed to the post of Nursing Sister [Jr.] was fixed in accordance with the provisions contained in RSP Regulations. The union could not establish any violation of regulation in the matter of fixation, seniority and therefore it was found that the disputed did not exist. As a matter of fact, it appears that after recruitment process was followed, 4 workmen who were appointed on locum basis were not selected and their services came to be terminated since their appointment was on temporary basis. Dock and General Employees Union raised dispute over the illegal termination of locum candidates of Nursing Sister [Jr.] appointed in the hospital in 1999 and the same was subsequently referred to CGIT. CGIT by its award dated 7.8.2001 in Ref. No. 1/45/2000 passed the order stating that the said reference stand disposed of for want of prosecution since the union even did not file the statement of claim. This would show that the dispute over illegal termination of Nursing Sister [Jr.] who were appointed in the year 1999 in the hospital was not pursued by them and then MbPT Dock & General Employees Union has raised the present dispute for fixation of inter se seniority of candidates appointed in the post of Nursing Sister [Jr.] vis-à-vis direct recruit on regular basis after a lapse of 12 years. No steps were taken for raising the dispute during intervening period and as such the delay in raising such dispute also goes to the root of matter.

20. Ld. Counsel for the second party union seeks to rely on the decision in case of Baleshwar Das V/S. State of U.P., 1981 I LLJ 140 to submit that there is no universal rule either that the cadre cannot consist of both the permanent and temporary employees or that it must consist of both. Submission is to the effect that the seniority is normally managed by length of continuous officiating service. In that case, it is held that the confirmation cannot be sole touch stone of seniority as that will be indefensible. The facts in the instant case are quite distinct and distinguishable since there is no dispute as regards the permanency of the post and the question is as regards the inter se seniority of the employees who have been appointed on temporary basis as stop gap arrangement and who have been appointed thereafter, after following the recruitment process as per RSP Regulations.

21. In the instant case it is also an aspect which needs consideration and that is that the concerned second party employees have participated in the process of selection for permanent post. That would show that they were aware and much accepted the difference in the appointments made by the management on temporary basis and then the appointments made by the management by following the selection process for appointment on regular basis. After such appointments on regular basis, second party union kept quiet for 12 years and then raised the dispute over the seniority. This would again show that the concerned workmen were aware of the fact that initially their appointment was on temporary basis as stop gap arrangement.

22. Considering all these facts, I find that seniority list of the candidates appointed on the post of Nursing Sister [Jr.] was fixed in accordance with the provisions of RSP Regulations and therefore the action of the management by not taking the actual date of recruitment in case of Smt. SM Bhagat, Nursing Sister & 6 others while considering the seniority list since they were appointed on locum basis is justified. Issue No.1 is therefore answered in the affirmative.

Issue No. 2 & 3.

23. In view of my findings to Issue No.1, the concerned workmen are not entitled to any relief. Hence order.

He is not having any administrative, financial or disciplinary power. His drawing and disbursing authority is Area Manager. During relevant time he was working as store clerk.

5) That during the relevant period i.e. 2008 to 2011 the complainant was posted at Paddy procurement centre at Chausa. One Sri P C Meena Manager (QC) was also posted as purchase incharge with him. The purchase of rice and wheat was completed during 2008-09 and thereafter the QC staff was transferred from there and complainant was remain there as custodian of the stock. Own godown of FCI was not there and the stock was stored in the private houses of the millers and villagers. The godown was not scientific and was not fit for long time storage of food grain. As per provision of FCI the procured food grain shall be shifted to own godown of FCI or the same shall be issued to state govt. under PDS programme immediately after procurement but at chausa neither the stock was liquidated nor it was shifted to any nearby godown for more than 3 years and six months. Mandatory QC treatment was also not provided by Area Manager to save the food grain from down gradation.

6) That the complainant since very beginning started writing letters to the Area Office Patna requesting therein to shift the stock and undertake QC treatment to avoid damage of food grain but authorities of FCI Patna had not paid any heed to the request of the complainant even after 31 letters of reminder and ultimately the stock of wheat was converted into power beside substantial damage of rice stock. Undertaking QC treatment and shifting or liquidating the stock was beyond the competence of the complainant and he can't do anything but to request the Area Manager to undertake the same.

7) Ultimately the Area Manager Patna and other senior officer with a view to save their skin for their failure in shifting and providing timely QC treatment of the stock deputed a PV team to undertake physical verification of the stock and accordingly PV party after conducting physical verification given a report that 595.82.200 qtl rice and 1190.77.800 qtl of wheat was found short at PPC Chausa for which a chargesheet amounting to Rs.3104102.00 was issued against the complainant and a domestic inquiry was initiated against the complainant by appointing O. Raza Bhushan as inquiry officer. During inquiry 04 witness were examined on behalf of the prosecution and all have said very clearly during cross examination that due to non-shifting of stock and lack of QC treatment the wheat stock was damaged and converted into powder form and there is also down gradation of rice stock resulting weight loss. They in reply to question 5 to 10 during cross examination has categorically admitted that rice stock was infested with khapra infestation and due to this there is weight loss in rice. They have further admitted that loss in rice is due to heavy infestation. They have further admitted that wheat stock was heavily infested in shape of atta formation and stock was became non issuable. They have categorically admitted that no QC treatment was provided by Distt. Office and stock was not issued out or liquidated therefore, wheat stock was converted into powder form. In question no 1 & 2 of the IO they have also said so but despite the above the IO has given report that charges are proved against the complainant. The report of the IO was not based on evidence or documents and he has given his report as per the wish of the disciplinary authority to please them so that higher officer should not be made answerable in this case and thus the complainant was made scapegoat and a punishment of compulsory retirement with recovery of Rs. 10.0 lac from retirel benefit was awarded to him, therefore, it is prayed to pass an award in favour of the complainant.

8) The case of the OP as per WS is that the complaint petition is not maintainable and the concerned workman is not a workman. The further case of the OP that the complainant has not exhausted the alternative remedy and directly filed this petition before the Tribunal without filing an appeal as such petition is not maintainable. It is also the case of the OP that obtaining approval was not necessary as the punishment is not connected with the pending dispute and the punishment is awarded after holding domestic inquiry.

9) It is further case of the OP that the complainant was held guilty for shortages of 428 bas = 595.82.200 qtl of rice and 1190.70.800 qtl of wheat in duly constituted domestic inquiry after PV of the stock during the month of Dec,2010 & Jan'2011 and the complainant cannot escape from his responsibility by sending letters. The case of the Opp. Party is that magnitude of loss cannot be attributed to infestation alone and the role of the complainant is not free from doubt. As such punishment awarded to him cannot be questioned in the complaint petition. And accordingly it is prayed to reject the complaint petition.

10) Fairness of the inquiry was challenged by the complainant and after evidence of the parties the inquiry was held unfair and improper and the report of the IO was also held perverse and the OP was directed to lead evidence afresh to prove the charges on merit before the Tribunal and accordingly three witnesses who were examined during domestic inquiry are examined on merit in this complaint and document which were filed by the OP are marked ext. M1 to m12. Ext. M1 is copy of job description . M2 is memorandum Ext m-3 is denial of charges by the complainant. Ext. M 4 & 4/1 are the order of appointment of IO and PO. Ext. 5 series are daily order sheet of domestic inquiry. Ext. M6 is IO report. Ext M-7 is show cause notice. Ext m-8 is reply of show cause. Ext M 9 is the punishment order dated 11.10.12. Ext. M 10 & M 11 are the reports. Ext M-12 final PV report as on 22.01.2011

11) Complainant has also examined one witness on merit and six items of document has also been filed which has been marked Ext W-1 to W-6. Ext W-1 is a Govt. of India audit report dated 19.10.2012 regarding damage of stock at PPC Chausa due to non-shifting and lack in QC treatment. Ext. 2 series are the 31 letters written by the complainant since beginning to provide QC treatment and liquidation of stock failing which stock will be damage. Ext W-3 is

closure report of CBI in a case lodged against the complainant by FCI for shortage of food grains. Ext W-4 is deposition of Sri Chetan Nidhan PW1 given during domestic enquiry. Ext W-5 is the gunny statement for the month of Dec'2011 and Ext W-6 is the suspension order of the complainant.

12) From the pleading, evidence, and documents of the parties the following points needs adjudication?

i) **whether the complainant is a workman and the complaint filed by him is maintainable?**

ii) whether there was shortage or misappropriation as alleged in memorandum or there is loss due to its non -liquidation and lack in QC treatment for long time about 4 year?

iii) Whether the complainant is responsible for such losses and the punishment of compulsory retirement with recovery of Rs. 10.0 lac is legal and justified ?

Point No. 1 :-

It is an admitted fact that complainant is an Assistant Grade I Depot which is under category three and is a clerical post in the Food Corporation of India. He is not having any power of his own. He has to act as per order of Area Manager. He is not having any administrative, financial and managerial power. It is submitted by the complainant that a departmental worker is getting at about one lakh per month which is double in comparison to the wages of complainant but by receiving such huge payment they cannot be termed as supervisor or Manager, they are still a workman, therefore, contention of the OP that complainant is not a workman is not correct and thus it is held that the complainant is workman.

13) A reference No 138/97 was pending at the time of passing the order of punishment of the complainant regarding denial of OTA at double the rate to the workman of Bihar and the complainant is entitle to get OTA and was getting OTA, therefore, he is concerned with OTA and against effecting any change in service condition during the pendency of dispute before the tribunal there is specific provision to file a complaint case under Sec. 33 (A) of the ID Act and accordingly the instant complaint filed by the complainant is quite maintainable. Since the misconduct against which punishment was awarded is not directly connected to the terms of pending dispute 138/97 as such compliance of Sec. 33 (2) (b) was necessary after passing the order of punishment and approval of the action taken from the Tribunal was necessary but the OP has not taken any approval, therefore, there is violation of 33 of the ID Act and on this ground also the present complaint is maintainable in the eye of law. A judgement reported in 2014 (iv) LLJ page 715 of Hon'ble Patna High Court which has been referred by the OP is not applicable to the fact of the present case as the present complaint is not a reference' it is a petition arising out of violation of Sec.33 (2)(b) of the Act for which express remedy is provided under section 33 (A) of the ID Act, therefore, the instant complaint petition is legally maintainable. Moreover the ID Act is a special legislation en- acted by the Parliament with a view to provide speedy justice to the poor workers and in the Act there is no prohibition that worker may seek relief under ID Act only after filing appeal & review which is a time taking process. Apart from the above Regulation 67 & 72 of FCI Staff Regulation 1971 shall not override the provision of ID Act.

Point No 2 & 3:-

14) As per provision it was essential to arrange shifting of the procured stock from the PPC Chausa to nearby FCI own depot immediately after close of the procurement. FSD Buxar was own depot of FCI which is nearest to PPC Chausa but for its transportation and handling a contractor was required for which the complainant was not competent. The Area Manager Patna was the competent authority to arrange shifting by appointing handling contractor and he was already requested by the complainant. Second mode of shifting was also available to issue out the stock to state govt. against issue of release order for which also complainant was not competent as release order is issued by Area Manager but release order as per book balance was not issued even after expiry of 3 to 4 years. It is also an admitted fact that PPC Chausa was hired from private person and was not fit for storage of food grain for such a long time which is on record with Area Manager Patna. The said godown was situated at different houses of the Pvt. parties.

15) It was also mandatory on the part of Area Manager Patna to arrange periodical treatment so that the food grain may be saved from infestation and for undertaking the said treatment the Area Manager was requested by the complainant so many times but no treatment was provided to the foodgrain stock/lying at PPC Chausa for such a long period. As per rule for every 15 days prophylactic treatment by spraying malathion to save the foodgrain from infestation is must which is called preventive treatment thereafter on the event of infestation, fumigation by Aluminium phosphide to prevent the downgradation of foodgrain is necessary which is called curative treatment but neither prophylactic not curative treatment was provided and the wheat stock was converted into powder form and was declared not fit for human consumption. Due to long storage there was loss in rice stock also.

16) The physical verification party who has conducted the verification has also mentioned the aforesaid fact in their report at page 3 of report dated 21.12.2010 which is quoted as under:-

" **The committee members seen wheat indigenous stock 6027 bags= 3159.77.000 qtls and wheat dust 465 bag= 162.75 as per book balance at PPC Chausa. The above stocks not counted / verified in uncounted**

position . After supervision of said stock it is opinion of the committee members the total wheat stock are comes under non issuable position and khapra form as well as stock converted into dust requires high level technical operation by high level qc officers".

17) That PV party after order of Area Manager and also after QC checking started weighment of foodgrain at PPC Chausa, in such a nasty condition and found a loss of 595.82.200 qtl in rice and 1190.77.800 qtl in wheat in comparison to the original weight of the bags as on the date of purchase and found variation of weight only not in no of bags which is clear from the gunny statement, PV report and also from CAG & CBI report. It is surprising that how Opp. Party is anticipating the same weight which was purchased at about 03 years before even after such huge damage of foodgrains occurred due to failure of the Area Office in providing treatment and shifting of the stock to nearby FCI own depot at FSD Buxar, therefore, the loss whatever it may be was caused due to gross in action of the area office of FCI Patna and Area Manager Patna is responsible for such losses not the complainant. When the wheat stock converted in power form due to lack of preventative & curative treatment on the part of Area Manager Patna then how the management of FCI is anticipating the same original weight which was purchased during 2008 and how the complainant is made responsible for such losses when shifting & issuing out is out of his power. The complainant from very beginning started requesting the Opp.Party to arrange shifting / issuing out the stock to save from down-gradation and also requested several time to provide QC treatment but no action was taken by Area Manager Patna. The complainant has exercised all his option and also written to the management of FCI that stock are deteriorating due to heavy infestation as such he shall not be made responsible for such losses.

18) A CBI case for such losses was also filed by FCI against the complainant and other and after investigation the CBI submitted final form holding therein that " no charge of shortage is made out against the complainant and the CBI court has also accepted the final form and discharged the complainant from the case. The operative part of the report of CBI is reproduced below:-

> "Investigation further revealed that during the April 2008,11072 qtl of wheat indigenous was procured at PPC Chausa , parts of the stock were issued at regular interval between 2008 to 2010. In the mean time the stock got infested and the PPC incharge made regular correspondence from time to time for undertaking QC treatment/disinfections. It was also requested to lift the above said stock at the earliest to avoid further deterioration. But 3159 quintals 77 kgs 800 gms of wheat stock was neither lifted from PPC, Chausa nor any prophylactic / disinfestations of the said stock was done. Moreover, the stock in a PPC should be stored for short period and thereafter it was to be shifted to the nearest base depot for its utilisation under TPDS/other welfare schemes. But the said stock was still lying at PPC, Chausa till the date of liquidation i.e. 13.01.2011 from the period of procurement i.e 1.4.2008. Despite several communication was made by the then incharge PPC Chausa, no suitable steps were taken by the FCI management especially at the end of the then Area Manager District Office, FCI Patna

19) CBI has also held at page 12 of his report that special physical verification team members found total 438 bags weighing 595 quintals 82 Kgs and 200 gram of RRC & RBC shortage from the stock of, Chausa but during investigation bags were not found short.

CBI at page 13 of his report has also observed that the average moisture different on the time of issue of the foodgrains was about 2.3% from the time of receipt of foodgrains. The total stock RBC/RRC at PPC Chausa were 11,568 qtls 50 Kgs at PPC Chausa. Hence as per calculation, 266 quintals were found as storage loss which is permissible as per circular of FCI New Delhi and actual shortage is (595-266)= 329 quintals which is very small figure as per scale of operation."

20) An audit team Govt. of India was also deputed to investigate the cause of losses at Mokama and Chausa and they in their report dated 19.10.2012 , Ext W-1 has clearly observed that there are fault of Area Manager which is quoted as under :-

> " During April 2008,1102 MT of wheat was procured at PPC, Chausa, Part of the stock were issued at regular interval between 2008 to 2010. In the mean time the stock got infested and the PPC incharge made regular correspondence from time to time for undertaking QC treatment/disinfections. It was also requested to lift the above said stock at the earliest to avoid further deterioration. But 4506 quintals of wheat stock was neither lifted from PPC,Chausa nor any prophylactic/disinfestations of the said stock was done. Moreover, the stock in a PPC should be stored for short period and thereafter it is to be shifted to the nearest base depot for its utilisation under TPDS/other welfare schemes. But the said stock is still lying at PPC, Chausa till date even after expiry of more than 4 years from the period of procurement. Despite several communication was made by the depot incharge PPC Chausa, no suitable steps were taken by the FCI management. CAG team has further observed that thus gross negligence on the part of FCI Management to undertake timely QC treatment and disposal of procured stock resulted in the above loss of Rs.29.28 lac, however final loss can be assessed only after disposal of the stock after tender sale.

21) Opp.Party has examined three witness in this case WW-1 Sri Chetan Nidhan has said that during the PV 595qtl,82 Kg 200 Gm rice and 1190 Qtl 77 kgs 800 GM was found short and the total cost of loss is Rs.31,04,102.00 and Kamal Singh complainant has not reported about these losses in time. He in his cross-examination has said that he was a witness in departmental inquiry and Ext - W-4 is my deposition. He has further said that after procurement the stock should be transported to scientific godown to save it from perish and chausa godown was a temporary godown . He has further said that if there will be excessive delay, if it is not a proper godown, the quality and weight may be reduced. He has further said that this case was also investigated by CBI and CBI did not find any irregularity against the accuse. He has further said that due to long stay in godown quality and quantity will reduced. But possibility of misappropriation can't be rule out.

22) MW-3 Shyam Kishor Sinha who was member of PV team has said in examination in chief that the person incharge is responsible for shortage but during cross-examination he has uttered the truth that stock was 4 years old and condition of stock i.e wheat was turned into power. He has also admitted that in their report it is mentioned that the wheat stock was turned into power due to lack of proper QC treatment. He has further said that if stock stored at longer period moisture will be reduced and weight will also be reduced. He has said further that he is not competent to say that entire loss is permissible or not.

23) MW-4 has also stated in more clear term, he has said that procured stock to be shifted immediately. He has said that stock of wheat was completely damaged and the stock was not fit for even animal consumption. He has further said that for 1% moisture loss 700 gr weight will be loss and if period of stay going longer loss & weight loss will be more. Not only this the aforesaid PWs were also examined during domestic inquiry as prosecution witness and they have clearly said that the loss is due to infestation/down-gradation of foodgrain and the reason is non treatment and failure in shifting. They have clearly supported the case of the complainant but the IO has held him guilty and the disciplinary authority even after ignoring the evidence punished the complainant only with a view to victimise the complainant with an intent to save the officer of area office and transfer their responsibility on the complainant which is quite unjustified. The above fact has already been discussed in para 7.

24) The complainant himself has examined as WW-2 in support of his case. He has stated that there was no variation in numbers of bags and there is no shortage or misappropriation rather there is quantity loss due to non shifting of stock and failure and providing QC treatment for long about 4 years. He has further said that despite writing 31 request letter no action was taken by Area Office Patna. He has further said that issue of charge sheet against him was not justified and punishment is unjustified and unwarranted. He has further submitted that he was put under suspension on 24.12.2010 and was remain under suspension till the date of punishment. During cross-examination also the Opp.Party has not obtained anything. Lastly he has said that he is entitled to get all the benefits along with postretirement benefits.

25) From the close analysis of documents, evidence and pleading of the parties it is clearly established that there was no misappropriation or any type of created shortage for which the complainant shall be held responsible. The loss of weight in wheat & rice is due to its downgradation as no preventive & curative treatment was provided by Area Office Patna and stock was lying in such a place for more than three years which was not fit for storage of foodgrain. Area Manager FCI Patna was responsible for not arranging shifting of foodgrain to nearby FCI own godown at Buxar and issuing out the stock to state govt against welfare scheme. CAG auditor and CBI investigation both has held the same.

26) Therefore, it is held that the action of the opposite party in punishing the complainant vide order dated 11.10.2012 as well as suspending him vide order dated 15.02.2010 is illegal & unjustified and the same is hereby set aside. The complainant shall be treated in continuous job till 31.03.2014 which is his normal date of superannuation along with all benefits and the Opp.Party is directed to pay the complainant salary and other benefits from 15.02.2010 to 31.03.2014 along with post retirement benefit within 30 days of publication of the award in the Gazette of India.

This is my award.

AWARD

2. That instant complaint is filed directly by the complainant under Sec.33 A of the ID Act against the order of dismissal and forfeiture of terminal benefits including gratuity of both the complainant without taking approval of this Tribunal in gross violation of Sec 33 (2)(b) of the ID Act during the pendency of reference No. 138 /97 before this Tribunal.

3. According to the complainant a reference No. 138/97 was pending before this Tribunal since 1997 in respect of all the workmen posted in Bihar region regarding denial of payment of OTA at double the rate and both the complainant are concerned with the pending dispute and after passing the order of dismissal it was mandatory on the part of the Opp.Party to take approval of the dismissal beside one month salary as provided in the Sec.33 (2) (b) of the ID Act but the Opp. Party has not filed any petition for approval before this Tribunal and salary of one month was also not paid to the complainant. The notice to the appropriate Government was also not given and all the pre-condition as provided under Sec. 33 (2) (b) was violated by the Opp. Party.

4. The complainant of complaint No 1 of 2012 was appointed as Assistant. Grade III (D) in the year 1978 and promoted the post of Assistant Grade II (D) and Assistant Grade I (D) w.e.f 13.07.1996 and 14.2.2005 respectively.

Similarly the complainant of complaint No 5 of 2013 was also appointed as Assistant Grade III (D) in the year 1978 and was promoted as Assistant Grade II and Assistant Grade I (D) w.e.f 1989 and 1999 respectively. This complainant was also promoted to the post of Manager (D) w.e.f 2007.

5. That during the year 2009 the complainant no 1 of 2012 was posted at FCI DO Patna and complainant of complaint No 5 of 2013 was posted as Manager(D) at FSDDighaghat. Both the complainant along with Sri D P Singh was ordered to proceed on tour to PPC Dumraon vide order dated 08.06.2009 to supervise the liquidation of paddy issued by depot i/c Dumraon and submit their report after completion of liquidation of entire paddy.

6. According to the order dated 08.06.2009 they have started supervision of liquidation of paddy w.e.f 13.6.2009 and 42 to 43 days time was consumed in completing liquidation of about 30,000 MTpaddy. Total Nos. of bags was about 9.00 lacs and about 21400 bags was liquidated per day which was rapid speed of liquidation. In the meantime an order for submission of interim report was issued by Area Office Patna on 9.8.2009 which was served to the complainant on 27.8.2009 and interim report was given on 29.08 2009 within 48 hours of receipt of the order of submission of interim report.

7. After complete liquidation of paddy no discrepancy i.e. shortage or excess was found in the paddy stock lying at PPC Dumraon and accordingly final report was submitted by the committee to the Area Manager FCI Patna who accepted the report in Toto and also approved their stay for 42 or 43 days at PPC Dumaraon for the aforesaid work and also paid the TA bill of Kumar Madan and Sri D.P. Singh. Since the complainant of complaint No 5 of 2013 was staying at Domaroan with his relatives as such No TA bill was claimed by him and intimation to this effect was given to the Area Manager FCI Patna in the beginning and also at the time of submission of TA bill of his co-worker.

8. Competent authority to pass the TA bill was Area Manager FCI Patna by whom they were deputed to PPC Dumroan. The Area Manager after considering their assignment approved their stay at Dumroan and passed their TA bill as such no other authority will raise any finger after two years about the stay of committee member at PPC Dumraon but all of a sudden on 12 .07.2011 the complainants were chargesheeted under regulation 58 of FCI Staff regulation 1971 and one Sri S K Mondal was appointed as inquiry officer but when the enquiry was at advance stage the inquiry officer was suddenly changed and NarhariBabu DGM (L) was appointed as IO in place of Sri Mondal.

9. Four PW were examined and cross-examined during domestic inquiry and documents on behalf of both the parties were exhibited with the consent of the parties and was testified by the PWs.The evidence of all the 04 PWS were completely in favour of the complainant and against the prosecution. The document filed on behalf of the workman was sufficient to establish the innocence of the complainant. Any prudent and judicious person shall certainly hold that Opp.Party is miserably failed to prove the charges against the complainant but the IO has given report holding that charges are proved against the complainant which was against the evidence and documents available on record and the order of dismissal from service with forfeiture of gratuity was awarded against the complainant is completely illegal and unjustified hence this complaint petition is filed by the complainant under Sec. 33A of the ID Act for violation of Sec. 33 (2)(b) of the said Act.

10. A reference No. 138/97 was pending before this Tribunal regarding entire workmen of united Bihar over stoppage of payment of OTA at double the rate w.e.f 1984 and both the complainant are workman and was getting OTA as such the complainant are concerned with the said dispute. There is a specific provision that if during pendency of any dispute condition of service is altered /changed then compliance of Sec. 33 of the ID Act is mandatory on the part of the Opp.Party. In this also the service condition was changed due to the punishment of dismissal but the said dismissal are not directly connected to the pending dispute, therefore, compliance of Sec 33 2(b) was necessary but Opp.Party is completely failed to comply the provision of Sec. 33 2 (b) of the ID Act as no approval was obtained by the Opp.Party as such complaint under Sec. 33 A was specific remedy for the same and accordingly the present complaint petition is filed before this Tribunal.

11. Notice was issued. W/S and petition for deciding preliminary objection was filed by the Opp.Party. Document by both the parties was also filed and evidence was adduced by the complainant but no witness was examined by the OP and ultimately the case was heard on technical point and award dated 01.01.2013 was passed which was challenged by the Opp.Party before Hon'ble High Court Ranchi and the Hon'ble Court after hearing remanded the case for hearing afresh after giving chance to the Opp.Party to adduce evidence and further observed that the complaint shall be examined as a full- fledged reference.

12. The fairness of the inquiry was then challengedby the complainant and it was placed for evidence by the Opp.Party to prove fairness of the inquiry as preliminary point. One witness was examined on the point of fairness by the Opp.Party but he was neither the IO nor PO or any PW and he was not able to prove the fairness of the inquiry. No other witness was examined on this point. One witness was also examined by workman who has in detail proved that inquiry was not fair and also the report of the IO was not based on evidence or documents and same is perverse. Complainant has also proved that no proper opportunity was given to them and the IO was changed in the advance

stage of the enquiry without any complaint of the complainant and it was also not proper. Other ground was also raised and ultimately after hearing the enquiry was held unfair and improper and the Opp.Party was directed to give evidence afresh to prove the misconduct against the complainant before this Tribunal.

13. Two witness was examined by the Opp.Party on merit and certain documents was filed by the Opp.Party whereas two witness was also examined by the complainant in both the cases and several document was filed by the complainant in this case. Both the cases are amalgamated and heard together as fact document, inquiry report, punishment order and Hon'ble Court order are the same and common.

14. As per W/S the case of the Opp.Party is that this Tribunal has got no jurisdiction to adjudicate to instant complaint petition as the complainant are not the workman and they have been punished under staff Regulation after holding domestic inquiry. It is further case of the Opp.Party that there is a provision of appeal andreview and the complainant has filed the instant complaint without filing appeal and review, therefore,the complaint petition is not maintainable on this ground also. It is further case of the Opp.Party that the dismissal is not connected to the pending dispute as such there is no need to take any permission before passing the order of punishment or approval after the action taken and on the aforesaid ground it is prayed by the Opp.Party to dismiss the complaint petition.

15. The Opp.Party has examined two witness on merit and filed documents which has been marked exhibit M-1 to m-8. M-1 is order dated 08.06.2009, M-2 is order dated 19.08.2009, M-2/1 is order as exhibited as M-1. 16. The complainant has also examined 2witness on merit and filed 18 items of documents which has been marked as W-1 to W-18. Ext W-1 is the charges heet dated 12.07.2011, Ext W-2 is order dated 27.09.2011 regarding appointment of IO, Ext W-3 series are the daily order sheet drawn during inquiry. 17. From the close analysis of the W/S evidence and pleadings of the parties the following points are necessary for adjudication-

I. Whether the complainants are the workmen under ID Act?

II. Whether the instant complaint is maintainable and compliance of section 33 of ID Act was mandatory on the part of the OP?

III. Whether OP is able to prove the charges against the complainant as mentioned in exhibitW-1 and penalty of dismissal with forfeiture of gratuity is legal and justified ?

Point No.1

It is an admitted fact that complainant of both the complaint was appointed as Assistant Grade III (D) and thereafter they were promoted to the post of Assistant Grade II (D) and Assistant Grade I (D). Complainant of complain No. 1 of 2012 was Assistant Grade III (D) on the date of his dismissal and the complainant of complaint No. 5 of 20013 was Manager (D) on the date of dismissal being a ST candidate. It is also an admitted fact that Assistant Grade I (D) is category III post in the food Corporation of India and he is not having any power of his own. He has to act as per order of the Area Manager He is not having administrative,supervisory or managerial power. He cannot take independent decision. His work is to maintain daily receipt and issue register of foodgrain and infact he is mere a store clerk. There are different types of assistant grade I, II &III. In general cadre they are called Assistant Grade I (General), in QC cadre they are called Technical Assistant,in account cadre they are called Assistant Grade I (A/C) and if they are posted in Regional Office, District Office, Zonal Office and Head quarter then they are called dealing Assistant. In FCI departmental labourers are getting salary & allowance more than 1 lac per month which is almost double the salary of the workman complainant but merely getting more pay labourers shall not be treated supervisor or Manager as such they are still the workman. Quantum of salary is not a sole criterion until& unless they are having supervisory and Managerial powers. Complainant of complain No 1/2012 is also not having supervisory or managerial power, he is mere a clerk as such it is held that complainant being as Assistant Gr. I (D) is workman under section 2(s)of the ID Act. The Hon'ble Patna High Court has also held that Assistant Grade I(D)of FCI is a workman in a judgement reported in 2014 IVLLJ 715.

18. So far as the complainant of case No 5 of 13 is concernedhe was also in clerk cadre up to 2007 thereafter he was promoted to the post of Manager (D). It is submitted by the workman that he has also not having any financial, administrative or managerial power. No power of anykind is vested to the manager under delegation of power in FCI. He is not having power of recruitment or promotion or termination. His work is completely identical to the work of Assistant Grade I(D). His duty is to forward statement,report of daily issue & receipt of foodgrain to Area Office and Regional office. He is not empowered to accept or refuse receipt or issue of foodgrain without the order of Area Manager. He is not having any independent power. With a view to avoid stagnation in category III an ornamental post of manager was created. In FCI power is vested upto Area Manager&above. Manager (D) is performing duty of senior most clerks. In his evidence the complainant has said in para 8 that he is Manager (D) which is nothing but a glorified workman named as Manager not having any independent power to act his own. He has further stated that he has no power to sanction a single farthing.He has further said that he is not more than clerk and his duty is identical to the duty of Assistant Grade I & II and denied any Managerial or supervisorypower.There is no cross-examination on these point. Therefore his evidence is conclusive, intact and final.

19 The Hon'ble Supreme Court in his judgment in between Anand Regional Co-operative oilseed union Ltd., versus S. Harshad Bhaishah has held that supervision contemplates direction & control.While determine the nature of work performed by an employee the essence of the matter should called for consideration and undue importance need not be given for the designation of any employee or the name assigned to, the class to which he belongs. What is need to be asked is as to what are the primary duties he perform. For the said purpose it is necessary to prove that there were some persons working under him whose works required to be supervised. Being incharge in the section alone and that too it being a small one relating to quality control would not answer the test.

20 The Hon'ble Supreme Court has also considered the judgment in between Anand Bazar Patrika (P) Ltd vrs.workman reported in 1970 (3) SCC Page- 248 and finally held that "A person indisputably carries on supervisory work if he has power of control and supervision in regard to recruitment and promotion etc. The work involves exercise of tact and independence.

Judging by the said standard we are of the opinion that the 1st respondent did not come within the purview of the exclusionary clause of definition of workman. In Anand bazar Patrika case the Hon'ble Apex Court has held specifically in para 3 which is reproduced as under:-

> **"The question, whether a person is employed in a supervisory capacity or on clerical work, in our opinion, depends upon whether the main and principal duties carried out by him are those of a supervisory character, or of a nature carried out by a clerk. If a person is mainly doing supervisory work, but, incidentally or for a fraction of the time, also does some clerical work, it would have to be held that he is employed in supervisory capacity; and, conversely, if the main work done is of clerical nature, the mere fact that some supervisory duties are also carried out incidentally or as a small fraction of the work done by him will not convert his employment as a clerk into one in supervisory capacity. This principal finds support from the decisions of this court in South Indian bank Vrs A.R.Chako and Manager of M/s. May and Baker (Indi) Ltd vrs their workman. In the present case, we have, therefore, to examine the evidence to see whether the Labour court is right in holding that, because of the main work of Gupta being clerical in nature, he was not employed in supervisory capacity.**

In view of the aforesaid judgement read with the evidence of the complainant given in para 8 it,is, therefore, held that complainant of complaint No.5 of 2013 is also workman under section 2 (s) of the ID Act 1947.

Point No. 2:-

21. As per Sec. 33 of the ID Act there is clear provision that service condition shall not be altered during the pendency of dispute. In this case a reference No 138/1997 was pending before this Tribunal over denial of OTA at double the rate since 1984 in respect of entire workmen of Bihar State. Admittedly the complainant are workman and during relevant time he was getting OTA and they will also get OTA at enhanced rate as the case has already been decided in favour of the workman, therefore, they are concerned with the reference as such compliance of Sec. 33 of the ID Act was mandatory on the part of the Management. But they have not complied with the provision.It is not under dispute that the punishment of Dismissal was not directly connected to the term of reference of the said dispute even then compliance of provisions of Sec. 33 (2) (b) was necessary on the part of the OP. The Opp.party was duty bound to obtain approval of the action taken besides payment of one month salary and intimation to the appropriate government but none of the precondition was compliedby the Opp.Party, therefore, certainly there is violation of Sec. 33 (2) (b) of the ID Act 1947 and for any such violation there is an express provision made under Section 33 A to file a complaint to the authority with whom the said dispute is pending and accordingly the complainant has filed the said complaint before this Tribunal and as per provision the said complaint has to be adjudicated as a full -fledged reference, therefore, it is held that the instant complaint petition is legally maintainable. A judgement of the Hon'ble Patna High

court reported in 2014 IV LLJ page715 has also been referred by the Opp.Party to show that without filing appeal and review the present complaint petition is not maintainable but the fact of the said judgement is not at all applicable to the present case as the present complaint petition is not a reference and it is originated due to the violation of sec. 33 of the ID Act and there is specific provision to file a complaint petition under sec. 33 A of the ID Act as such not exhausting internal remedy is not a bar for filing the instant complaint. Apart from the above the ID Act is special legislation enacted with a view to provide speedy justice to the poor working class and in ID Act also there is no prohibition that prior to filing appeal and review or exhausting internal remedy the workman cannot take shelter of industrial forum. Moreover provision of FCI Staff Regulation 1971 shall not prevail over the provision of ID Act. In view of the discussion made herein above it is held that the instant complaint petition is fully maintainable and compliance of provision of Sec. 33 (2) (b) of the I.D. Act was mandatory on the part of the Opp.Party.

Point No.3:-

22. Now the charges against the complainant on the basis of which they have been dismissed from the service of the corporation has to be examined. The charge sheet is exhibit W- 1 dated 12.7.2011.The charges as mentioned in annexure -1 is being quoted for its better appreciation.

ARTICLE-I

The aforesaid committee member did not submit any progress/interim/final report or intimate the factual position even after lapses of more than two months compelling the Area Manager, FCI, DO, Patna to issue another order vide No. PAT/V&S/1/2009 Dated 19.08.2009 directing the aforesaid committee members to conduct the same job as assigned by the order dated 08.06.2009.

Thus, the committee members in clear disobedience to the orders of higher authority were found negligent in their duties and failed to assess the gravity of the matter and to act in the desired manner which is detrimental to the interest of the corporation.

ARTICLE – II

The above committee member submitted two reports dated 28.08.2009 and dated 28.10.2009 in a very casual manner without supervising the delivery of paddy and its transportation as per direction rather they acted hand in glove with the I/C PPC Dumaraon in suppressing the factual position and the very purpose of their deployment was defeated.

ARTICLE- III

As per record, for the aboveassigned job of supervision of delivery/shifting of paddy, Sri Devendra Prasad Singh, Manager (Stg) and Kumar Madan Mohan, Assistant Gr. I (D) stayed at PPC Dumraon for 39 days and 41 days respectively which is abnormal and beyond any justification. Except in the committee reports there was no signature of the committee members in any other document enclosed with the reports to justify their presence in the centre from 13.06.2009 to 28.08.2009. Whereas Sri Devendra Prasad Singh, Manager (Stg) and Kumar Madan Mohan Assistant Gr. I (D) have claimed TA bills for their stay inthe centre for 39 days and 41 days respectively.

Sri Mishri Hembram Manager (Depot) another committee member has not claimed any TA Bill for his stay which raises doubt over his presence in the PPC, Dumraon.

They have submitted false report in connivance with the I/C PPC Dumraon who could misappropriate huge foodgrain stocks at a later stage.

23. With a view to judge the gravity of the charges documents filed by the OP has to be considered first. The order dated 8.6.2009 is exhibited by both the parties as exhibit M-1 and W-14 the aforesaid order is quoted as under:-

THE FOOD CORPORATION OF INDIA

DISTRICT OFFICE

EXHIBITION ROAD : PATNA

Ref No. PAT/V&S/(1)/2009 Dated 08.06.2009

OFFICE ORDER

2 Sri Mishri Hembram, Manager (D), FSD Dighaghat

3. Sri Kumar Madan Mohan,, AG I (Depot), DO, Patna

The above squad will submit its consolidated report to the undersigned after its liquidation of entire procured paddy as lying at PPC, Dumraon.

(A. Thakur)

Area Manager

24. From the perusal of the above order it is crystal clear that the committee members were directed to submit a consolidated report after liquidation of entire paddy stock. No direction was given in the said order for submission of any interim report therefore, the charges levelled in article I of annexure I is not proved in view of the aforesaid order itself. When they were directed to report after completion of liquidation of entire paddy stock, then how they will be held responsible from non-submission of interim report and dis-obedience of order of higher authority, therefore, this charge is not substantiated against the complainant.So far as the submission of interim report is concerned an order was issued vide exhibit M-2 which was made availableto the committee on 27.08.2009 and the interim report as desired by the management was submitted by the committee on 29.8.2009 i.e. within 48 hours of receipt of the order. Therefore, there is no delay on the part of the complainant as such they are not responsible for disobedience of the order of higher authority andalso they are not negligent and haveacted strictly in accordance with the order dated 08.06.2009 and 19.08.2009 .

25. The charges levelled in article 2 is also not proved as entire paddy was liquidated by the committee for which they were deputed and no difference of even a single was gram detected in paddy at PPC Dumraon. And the report of the committee has already been finally accepted bythe management of FCI. There is also no evidence on record to show that they have acted hand in glove with the PPC incharge and any fact regarding paddy was suppressed by them and the very purpose of their deployment was defeated. This is an ornamental charge beyond any document and evidence and Opp.Party has failed to prove it.

26. In article 3 of the charge it is alleged the D. P.Singh M(STG) and Kumar Madan Mohan stayed at PPC Dumaroan for 39 and 41 days respectively which is abnormal and beyond any justification. It is further alleged that except on committee report there is no signature on any documentto justify their stay at PPC Dumroan . It is further alleged that Sri Mishry Hembram did not claim TA Bill which creates doubt about his presence at PPC Dumraon. In this respect it is very important to mention that the committee member were deputed by Area Manager FCI Patna who was competent authority for the same and after their stay as said above their tour programme were approved and TA Bill was paid to themafter full satisfaction of the Area Manager and any dispute over the TA Bill after more than two years is not justified at all. However to examine the allegation the volume of work done by PV party has to be considered.

27 As per evidence there was at about 30 thousand MT paddy at PPC Dumraon and for liquidation of entire paddy the committee memberswere deputed vide exhibit M-1. The number of bags containing the aforesaid paddy was about 9 lac. and the same was liquidated within 41 days. If the said 9 lac bags is divided by 41 days then average 21951 bags was liquidated per day and in evidence of PW during the enquiry it was admitted by them that the time consumed was normal in comparison to the volume of work. There was various factors in liquidation i.e. supply of trucks by parties, availability of labourers as well as miller and presence of PPC incharge was essential for its liquidation as committee members was not empower to undertake the liquidation in absence of PPC incharge. From perusal of ext W-1 which is daily dispatch advice andvital document of despatch it is crystal clear that signature of allthe committee member along with PPC incharge and recipient are there. As such it is also wrong to allege that there is no signature of committee members except on their report. There is no document or evidence to show that there is misappropriation during 2009 or even thereafter in paddy stock for which committee members are responsible. Further allegation regarding non submission of TA bill, by Sri Mishry Hembram is also wrong. During stay at Dumraonintimation to this effect was given to Area Manager by Mishry Hembram that he is staying at Dumraon with his relative and he will not claim any TA Bill as there is no expenditure incurred by him in staying there. The said information was also repeated after close of the liquidation, therefore,the presumption/ inference drawn by the OP that since no TA Bill was claimed as such Sri Mishri Hembram was not there is wrong. As per 'M' form which bears day to day signature of Mishri Hembram on it is enough to falsify the allegation. By not claiming TA bill he has not committed any misconduct rather FCI is benefited by this.

28. Now the evidence adduced by the Opp.Party has to be considered with reference to documents available on record. Two witnesses are examined by Opp.Party in this case. WW2 Chetan Nidhan in his examination in chief has said that the complainant has not supervise the paddy and later on shortage was found at PPC Dumraon in respect of rice and wheat. During cross-examination he has said that he has not enquired against the workman and he is deposing on the basis of the record. He has further said that the complainant was deputed for liquidation of paddy through the millers through depot incharge. They were told to submit the report after completion of liquidation of paddy stock and there was no order to submit any interim report. He has further said that oneworkman did not claim TA DA. He has finally admitted that all the records are ok. He has admitted that before IO during domestic inquiry his evidence was recorded on behalf of the OP. Ext. W-16 is the same. His cross-examination part of evidence adduced during domestic inquiry was adopted by the complainant and the same was allowed. In domestic inquiry he was prosecution witness No. 3 and he has not raise any finger against the complainant. He has very fairly admitted that 'M' form Ext W- 13 is the vital document regarding issue of foodgrain from the depot. He has further accepted that official on tour did not require attendance. He has further admitted that signature of all complainants are on 'M' form Exhibit W-13 which is bona fide proof of their attendance at PPC Dumroan. In reply to question No 8 during cross-examination he has admitted that depending on the quantum of paddy issued it seems that the duration of stay as mentioned is appropriate.

29. WW-3 Sri Ashish Mishra has said in his examination in chief that he was a witness in domestic inquiry and his evidence there was full proof. He has said that the delinquent was sent to supervise the issue of paddy and he failed in his duty and dismissed. During cross-examination after going through the FIR ext W-17 he has said that it is in respectof wheat and rice. He has further said that my evidence during domestic inquiry is marked in this proceeding also. In his examination in chief during domestic inquiry he has said nothing against the complainant and during cross-examination he has finally admitted that there was no specific direction to submit interim report and interim report was also submitted when direction was given to them. He has further said that approximately 30000 MT paddy was procured during 2008-09. He has further admitted in reply to question No 7 that as per record no shortage found in respect of paddy.

30. Two more PWs were examined during domestic inquiry. PW 1 was Sandipan Chattopadhyay, DGM (Genl.) who has also not said anything against the complainant over the charge as mentioned in the charge sheet. PW 4 was J P Chaudhary.During examination in chief he has also not said anythingagainst the complainant. He has admitted in his cross-examination that official on tour has to submit tour diary and after its approval by the competent authority payment of TA Bill is made by the Account branch. He has also said that D P Singh and Kumar Madan Mohan has already been paid TA Bill for their stay at Dumraon. Even during entire deposition of all the PWs examined during domestic enquiry none has whispered anything against the complainant. They have not supported the case of prosecution rather in very clear term all the witnessexamined on behalf of the OP has finally supported the case of the complainant. No documentary evidence is filed before this Tribunal except charge sheet and IO report to prove the misconduct against the complainant but in this case the report of IO is already held perverse and enquiry is also held unfairand improper,therefore, Opp.Party has failed to prove any charge on merit against the complainant.

31. Two witness were also examined on behalf of thecomplainant. WW 1 is complainant who has said very elaborately in favour of his case and denied all the charges mentioned in the charge sheet. He has said that they were originally directed to submit reportafter complete liquidation of paddy as per ext- W-1. Vide Ext- M2 they were directed to submit interim reportand the same has been submitted within the 48 hours from the date of service of Ext M-2 and there was no delay in submission of interim report. He has also said that he has performed his duty in the best interest of the corporation and he was not in league with the depot in charge of PPC Dumraon. He has further said that he was at Dumaron from Jun to Sept 2009 and shortage in rice and wheat was declared in Oct'2010, therefore, there is no connection with my work performed during Sep'2009 with the shortage declared during Oct'2010. No shortage in paddy was detected at any point of time. He has said that entire charges are baseless and based on hypothecation and assumption of the disciplinary Authority. He has also very clearly established their presence at Dumaroan on the basis of Ext W-13 containing signature of the entire committee memberand depot incharge as well as the recipient and justified their stay at Dumraon. There is no cross-examination by the OP on these point. As such his evidence is fully acceptable.

32. WW-2 is complainant No. 5 of 2013. He has said that he has performed hisduty sincerely in the best interest of the corporation without being under any influence of depot in charge. He has submitted that intimation was given to the controlling authority that hewill not claim any TADA as he is staying at the close relative at Dumraon and by not claiming any false TA Bill he has benefitted the corporation and as such he has not committed any misconduct. He has further said that his day to day signature is available in D form which is bonafide proof of the committee at Dumraon. He has also denied the allegation as mentioned in the charge sheet and there is no cross-examination by the Opp.Party over it. Therefore, his evidence is also fully believable.

33. From the close analysis and consideration of the evidence, documents and pleadings of both side available before this Tribunal it is crystal clear that OP has failed to prove any of the charges against the complainant whereas

the complainant has very strongly and successfully disown allthe charges even on the basis of document and evidence filed by the OP itself and proved their innocence.

34. One case in respect of other employee of the corporation which is almost identical to the instant case has been decided by the Hon'ble Patna High Court in CWJC No 2945 of 2014 Exhibit W- 18 is referred by the complainant. In the above case also a committee was constituted for specific purpose but they have also been dismissedby the corporation for delay of one month in submission of report and alleged conspiracy with depot incharge PPC Dumraon. Three employee were dismissed out of one directly filed a writ petition in Honble Patna High Court and a complaint under ID act was filed by other two employee. The Hon'ble High Court was pleased to allow the writ petition and quash the order of dismissal aswell as order of appellate and reviewing authority vide judgement dated 5.8.14 and ordered his reinstatement with full back wages and other benefits. In para 13 and 14 of the judgement the Honble Court has defined the misconduct.

> **"13. Misconduct has been defined by the courts to be an act of involving moral turpitude or improper or wrong or unlawful behaviour which is wilful in character or a forbidden act, a transgression of established and definite rule of action or code of conduct but not mere error of judgement or carelessness or negligencein performance of the duty. It has been held that the actcomplainedof must bear a forbidden quality character andits ambit has to be construedwith reference to the subject matterand the context wherein the term .. Reference may be madein this regard to the Supreme Court judgements reported in (1992) 4 SCC 54(State of Punjab vs. Ram singh Ex- Constable) , (1999) 7 SCC 409 (Zunjarran Bhikhaji Nagarkar vs Union of India) and (2007) 4 SCCC 566(Inspector Premchand vs. Govt. of N.C.T. of Delhi)**
>
> **14. The charges levelled and finally sustained by the enquiry officer, in my opinion, do notconstitute misconduct against the petitioner. At the maximum it can be said to be an act of errorof judgement, negligence or carelessness on the part of the petitioner. However, his conduct has to be assessed keeping in mind the fact that after conducting investigation as per office order dated 08.06.2009, the competent authority was reported about the outcome of the investigation verbally, and the competent authority was satisfied with such report, which finding of the enquiry officer is not in dispute.**

35. Against the above judgementof single judge FCI filed LPA No 1289 of 2014 and after hearing atlength the division bench of the Hon'ble Court has confirmed the findings of single judge and allowed the LPA partly that for delay of one month minor punishment in the form of withholding two increment would meet the end of justice but FCI again challenged the said order before the Apex Court in Special Leave to Appeal (c) No 22573 of 2015.But the Hon'ble Apex Court has also confirmed the findings of Single judge and remitted the case to the disciplinary authority for decision to pass any minor punishment within one month and accordingly two increment was withheld by the management without cumulative effect and the petitioner was reinstated in his job with all his benefits.Case of other two employees in whose favour order of reinstatement was passed by this Tribunal which was under challenge before Hon'ble Jharkhand Court has also been disposed off as per order passed by Hon'ble Patna High Court and accordingly all the three employees dismissed by acommonorder on similar charges has been reinstated and paid their full back wages and other benefits.

36 The fact of the instance case is a bit different as in this case the domestic inquiry is held unfair and improper and report of the IO is also held perverse and Opp.Party was given the opportunity to prove the misconduct before this Tribunal but the management of FCI has completely failed to prove the charges against any complainant. The Opp.Party has also failed to prove any delay in submission of interim report by the complainant as order ext. M-2 was served to the complainant on 27.08.2009 and the report was submitted on 29.08.2009 as such the allegation of delay in submission of interim reportis alsofound baseless. The report of the committee was authentic as it is accepted up to the Head Office of FCI and no shortcoming was detected in respect of Paddy which has been confirmed from the evidence of PW itself. The specific duty assigned to the committee was for liquidation of paddy not for other purpose as such any shortage declared by depot in charge during Oct 2010 shall not be clubbed with the assignment of the complainant and the same is not tenable and is fit to be rejected.

36. In view of the discussion made herein above it is held that the Opp.Party has miserably failed to prove any charges against the complainant and the action of the Opp.Party in dismissing the complainant along with forfeiture of terminal benefits including gratuity vide order dated 24.07 2012 is illegal and unjustified and the same is hereby set asideand the complainants shall be treated to continue in service till the date of their normal retirement i.e.30.06.2013 and 31.07.2013 respectively with full pay and other allowances along with post retirement benefits. The Opp.Party is further directed to implement the award and pay all their arrear within one month from the date of publication of the award in the Gazette of India.

This is my award.

AWARD

1. The Government of India, Ministry of Labour & Employment by its Order No.L-22011/35/2009-IR (CM-II) dated 24/09/2009 in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of the Industrial Disputes Act, 1947 have referred the following industrial dispute to this Tribunal for adjudication:

> "Whether the action of the Area Manager, Food Corporation of India, Borivali, in retiring Shri Munir H. Pathan from the services w.e.f. 09.02.2008 is legal and justified? To what relief the workman is entitled to ?"

2. After receipt of reference, notices were issued to both the parties. In response to notice, second party workman has filed statement of claim at Ex.5. According to him initially they were labour with RDF i.e. Regional Directorate of Food. Thereafter in 1969 after the establish of Food Corporation of India and after taking of the charge / responsibility and liability of RDF, the officers and labours were observed in Food Corporation of India w.e.f. 1.3.69 on regular basis. He got his permanent wage No. 513 w.e.f. 10.2.66. Food Corporation of India observed earlier offices / employees / workman with responsibility and liability of Regional Director of Food w.e.f. 1.3.69 on regular basis. However, there was no age of retirement fixed in Food Corporation of India. The workman used to sent to Govt. hospital and if found physically fit to work, he used to be continued.

3. According to the workman, there is no birth record of claimant like school leaving certificate as he is uneducated or any birth certificate as he was born in Maniyarpur Village, Uttar Pradesh and during those days there was no system of recording birth of a child at local places. Hence he is not having documents to show his exact age. On or around 1966, he came to Mumbai in search of employment. He used to go to Borivali Depot of the said RDF and officers used to assigned some duties like collecting food grains or sweeping scattered food grains and / or loading or unloading of food grains bags in godown or trucks, tempos or railway wagons. The officers of RDF did not ask him about his age or birth record at the time of writing his name and he was assigned or asked to work looking to his physical capacity. He started to work as labourer with RDF irrespective of his age. He worked on temporary basis for the period of 2 years and after the Food Corporation of India given his Wage No. 513 he became the permanent employee of the Organisation. However, after passing of orders, the concerned officers of the Organisation asked him to get certificate from hospital to get his age determination as per the practice in vogue and to determine the age of literate labourers. About 10 years ago he went to JJ Group of Hospitals, Byculla, Mumbai. However, in the absence of proper test, hospital did not give satisfactory certificate to him. Thereafter about 5 years ago he went to Sushrusha Citizen Hospital, Dadar to bring the certificate. However, the said hospital did not give age certificate. Concerned officers of the Orgnisation further asked him to bring age certificate from the Govt. Hospital to enable to determine the age of retirement of the claimant. Thereafter on 20.4.2007 Secretary of Food & Dock Workers Association, Mumbai addressed a letter to refer his matter to JJ Hospital in the matter of determining his age.

4. According to the concerned workman he went to JJ Hospital and after the required test, Supt. of JJ Hospital issued a certificate to him confirming that from his appearance, physical and mental condition he is about 57 years of age. He got certificate on 8.5.07 from the hospital. However, management issued Office Order dt. 29.6.2007 stating therein that as per the records he would be retiring on 9.2.2008 instead of 8.5.2010. So according to workman his age on 8.5.2007 was 57 years and according to that he is liable to retire on 8.5.2010 on attaining age of 60 years. He, therefore, approached the unit and the union leader advised him to demand from Respondent No.1 relating to his retirement which he did. So according to workman by compulsory retiring him he was deprived by his monthly salary for the period f 2 years. He has not reached superannuation age and as such action of area manager FCI Borivali retiring him on the services w.e.f. 9.2.2008 is illegal. He is therefore asking to set aside office order of Respondent No. 1 dt. 29.6.2007 and to direct the first party to allow him to work till he is fit to work. He is also asking for back wages from 10.2.2008 till his retirement.

5. First party management has register a claim by filing written statement at Ex.6. According to first party management, second party workman was employed with Regional Directorate of Food under the Ministry of Food, Govt. of India from 10.2.1966 and after the inception of FCI during the year 1969, the staff and Mazdoors were taken on the roll of FCI. The record in respect of second party workman indicates that his employment is w.e.f. 10.2.1966. Management repeatedly requested the workman to produce proof of his date of birth which he did not produce till his retirement. He was sent to JJ Hospital for medical during the year 1989 for ascertaining his age. However, the Resident medical officer issued a certificate certifying that there is no any clinical or mythological method to ascertain the age of a person after the age of 25 years. So considering the appointment of the claimant in Regional Directorate of Food in the year 1966 he was sent to Sushrusha Citizen Hospital, Dadar for clarifying to carrying the job. Medical authority declared him to fit to carry the job and also declared his age as 47 years as on 29.12.1995. The Respondent taking into consideration the medical certificate issued by JJ Hospital on 2.6.1969 decided to retire the claimant / second party workman w.e.f. 30.6.2007. However, claimant and Transport Docks Workers Union requested the management / Respondent to obtain fresh medical certificate in respect of date of birth of claimant. Accepting the said request, claimant was sent to JJ Hospital which declared the age of claimant as 57 years as on 8.5.2007. So taking into consideration the medical certificate and existing rules of Govt. of India relating to appointment and superannuation of the employees, Respondent has considered his appointment in the Regional Directorate of Food on 10.2.1966 at the age of 18 years which is prescribed for govt. services as no one can appoint below 18 years as per Child Labour Abolition Act. Thus, the claimant is accordingly retired on 9.2.2008 on attaining the age of 60 years. Even the claimant by his letter dt. 11.7.2008 stated that he satisfied with justification furnished by the office relating to his superannuation. Thus, according to first party management claimant/first party workman is rightly retired on the age of his superannuation. It is, therefore, prayed that the reference be rejected with costs.

6. This tribunal has passed the award on 13.11.16 and rejected the reference with no order as to costs. The workman challenged the award before the hon'ble Bombay High Court vide WP No. 1689 of 2017. The Hon'ble Bombay High Court has set aside the award and directed this tribunal to hear the reference afresh and award shall be passed within a period of four weeks from the date of order. All the contention of the parties are kept open. In view that the Learned Counsel for the concerned workman has filed notes of arguments Ex. 34. The management has also filed notes of arguments Ex. 36.

7. I have heard both the sides. Following issues were framed at Ex. 8. I reproduced the issues along with my findings thereon for the reasons to follow.

Sr. No.	Issues	Findings
1.	Whether the action of the Area Manager, Food Corporation of India, Borivali, in retiring Shri Munir H. Pathan from the services w.e.f. 09.02.2008 is legal and justified?	Yes.
2.	If not, what relief the worker is entitled to?	As per final order
3.	What order?	As per final order

Issue No. 1

8. The claim of second party workman is based on two fold grounds. One ground is that there was no age of retirement fixed in by FCI and if workman is found physically fit to work he is to be continued. Second ground is that after medical test his age was determined as 57 years as on 8.5.2007 and accordingly he is liable to be retired on 8.5.2010 on attaining the age of 60 years.

9. In respect of first ground that no any age of retirement is fixed by FCI, there is no document to show that it was vogue practice to continue workman in the employment if he is physically found fit. However, the Learned Counsel for the concerned workman submitted that no retirement age was fixed by the earlier employer the Regional Directorate of Food [RDF] or subsequent employer Food Corporation of India [FCI] for the workman and therefore the workman used to be continued in service till they remain physically fit. In this respect, the Learned Counsel for the concerned workman refers to the circular dated 10.4.74 issued by the Dy. Manager of the Respondents which is at Annexure-A. On going through this circular, it appears that in pursuance of para 8.60 of Wage Board Award the age of retirement for the post workers is 60 years. After completion of 60 the workers are medically examined and are retained in services if they are found fit and therefore the workers after attaining the age of 60 years are directed for medical examination and if the Dist. Manager [Godowns] is satisfied that they are found suitable for the continuity of one job. This circular further clarifies that Ministry of Labour vide their letter dt. 24.7.72 has modified the recommendation made in para 8.64 of the Wages Board Award and in the light of recent instructions it has been decided that the age of retirement of any category to continue employee is 58, the existing practice shall intimated. It clarifies that where the age of retirement of category of any employee is 60 the existing practice shall for all further entrant the age of retirement shall be 58.

10. Learned Counsel for the concerned workman particularly relied to clause—C of the said circular to submit that where there is no age of retirement prescribed, the incumbent shall continue till fit on the basis of actual medical examination as at present for all further entrants age of retirement shall be 58. With this the submission is that when at the time of initial employment in RDF no age of retirement was fixed, then as per this circular concerned workmen should have been continued in service till he is found physically fit.

11. However, we have document i.e. circular dt. 29.11.1998 bearing No. IR (L)/4(10)1998 of FCI regarding enhancement of the age of retirement for the departmental workers under DPS and no work no pay system. As per this circular the departmental workers as well as workers under direct payment system and no work no pay system shall be superannuating from services on attaining the age of 58 years but the Govt. of India has decided to enhance the age of superannuation from 58 years to 60 years in case of employees in Central Public Sector Enterprises. In terms of such decision of the Govt. of India it has been decided that the age of retirement for the departmental workers, the workers under direct payment system scheme and no work no pay system shall be enhanced from the age of 58 years to 60 years w.e.f. May 1998. In view of circular, it is clear that age of retirement was fixed at the age of 60 and not on the basis of physical fitness of workman.

12. Even if anxious consideration is given to the contention of the concerned workman that he was to be continued till he is physically found fit, then also there is no evidence that all the while he was physically fit after the age of 60 years. There is no document on record to show that he was sent for medical examination and was found physically fit on the basis of medical examination.

13. In this respect, the Learned Counsel for the concerned workman seeks to rely on the application filed by the similarly situated workmen under gratuity act before controlling authority and it was partly allowed and appeal bearing

No. 36(12)/2006-PG- appeal before RLC was allowed directing them to pay gratuity till resignation. In view of that the submission is that the present second party workman is also entitled to work till he is physically fit

14. This submission is not acceptable since the age of the workers under direct payment scheme and no pay no work system scheme is fixed the age of retirement at 60 years w.e.f. 29.5.98. It cannot be accepted that the workman can be continued even after the age of retirement. It is in that circumstance it appears that the concerned workman was not sent for medical examination for ascertaining his physical fitness and there is absolutely no evidence to show that the concerned workman is entitled to work till he is physically fit even after the age of 60 years.

15. In respect of the ground that after medical test his age was determined as 57 years on 8.5.07 and accordingly he is liable to be retired on 8.5.10, on attaining the age of 60 years, it is a matter of record that there is no birth record showing the age like school leaving certificate as concerned workman is uneducated. This is admitted by the concerned workman in his statement that there is no birth certificate to show his birth date. Precisely, therefore there is no document to show the exact age of the concerned workman.

16. It is in that circumstances, he was asked to get the certificate from the hospital to get his age determined as per the practice in vogue to determine the age of illiterate labourers. He was sent to JJ Group of Hospitals, Byculla, Mumbai but in the absence of proper test the hospital did not give his certificate. Again he was sent to Sushrusha Citizen Hospital, Dadar to bring his age certificate. However, the said hospital did not give the age certificate. Again he was sent to JJ Hospital for ascertaining his age and according to concerned workman after the required test the Superintendent of JJ Group of Hospitals issued certificate confirming that from his appearance, physical and mental condition he is about 57 years as on 8.5.2007. So the question is whether this certificate issued by JJ Group ascertaining his age as 57 years as on 8.5.2007 can be a concrete proof showing his exact age in the year 2007.

17. It appears that while ascertaining his age in the year 2007, no any ossification or radiological test was conducted for determining his age. What is stated is that Superintendent of JJ Group of Hospitals issued certificate in respect his age from the appearance, physical and mental condition of the concerned workman. In my considered view that cannot be a concrete or reliable certificate ascertaining or determining the age of the concerned workman since no radiological test was conducted. Even the ossification test have an error of 2 years in determining the age of the person on either side. Precisely, it is the contention of the management that since this test was not proper for determining the age of the concerned workman, the said certificate issued by JJ Group was not taken into consideration while considering his age of retirement. In para 3 of the written statement it is stated that in the year 1989 the claimant was sent to JJ Hospital for medical test for ascertaining his age. However, Resident Medical Officer has not conducted any clinical or radiological method to ascertain the age of the workman and therefore that certificate was not taken into consideration.

18. It is in that circumstances it appears that the concerned workman and Transport & Dock Workers Union requested to obtain the fresh_ medical opinion in respect of date of birth of the claimant. By accepting the request of the claimant and Transport & Dock Workers Union, he was referred to JJ Hospital which declared his age as 57 years as on 8.5.2007. But at that time also no clinical or radiological method was conducted for ascertaining his age. As such a medical certificate issued by the JJ Hospital was not taken into consideration to ascertain his date of superannuation as it was not conclusive proof of ascertaining the age of the claimant.

19. Learned Counsel for Respondent Management submitted that themedical authorities of JJ Hospital issued two certificates regarding age of claimant/workman which are contradictory to each other. Both the times no clinical or radiological method was adopted to ascertain the age of the claimant and therefore those medical certificates are not conclusive proof regarding age of claimant. This submission is acceptable and therefore it cannot be said that there is conclusive proof in the form of medical certificate issued by JJ Hospital regarding the age of the claimant.

20. As seen earlier there is no other document to show as what was the age of the claimant / workman at the time, he joined the Regional Directorate of Food and thereafter he was admittedly taken on the role of Food Corporation of India w.e.f. 10.2.1966. Having considered that the age of retirement / superannuation age as 60 years in respect of employees working in Food Corporation of India, it appears that the retirement age of the claimant/ concerned workman was fixed on the basis of admitted fact to the effect that his employment with Food Corporation of India is from 10.2.1966. The question is that as to what was the age of workman as on 10.2.1966.

21. Learned Counsel for Management submitted that the first party recorded the date of superannuation in respect of second party workman as 30.6.07. The first party has taken into account the existing rules of the Govt. of India relating to the appointment and superannuation of the employees and has considered his appointed in RDF on 10.2.66 at the age of 18 years which is prescribed for the government service as no one can be appointed at age below 18 years. It is thus submission of the Learned Counsel for Management that the second party workman has correctly retired on 9.9.08 on attaining age of 60 years thus completing the services of 42 years.

22. As against this, the Learned Counsel for the concerned workman submitted that the retirement age was not fixed at the time of appointment and even the certified standing orders are silent about the same. In this view the submission is that by way of standing orders also no age of retirement was fixed by the Respondent and therefore it can be safely concluded that the retirement age with respect to the petitioner workman was not fixed by the Respondent. In short it is the submission of the Learned Counsel for the concerned workman that it cannot be presumed or concluded that at the time of his initial appointment in RDF on 10.2.66 his age was 18 years.

23. It is no doubt true that there is no document to show that on 10.2.66 the age of the concerned workman was 18 years. Even it can be said that as per the provisions of Child Labour Abolition Act, no child who has not completed his 14th year shall be required or allowed to work in any factory. But there is no document to show that he was below 18 years at the time of his initial appointment in RDF. Infact, it can be considered that his appointment in RDF on 10.2.66 was at the age of 18 years which is prescribed for the government service and no one can be appointed below the age of 18 years.

24. In view of that the second party workman has been correctly retired on 9.2.08 on attaining the age of 60 years Admittedly he was appointed in RDF on 10.2.66, so on 10.2.66 his age was 18 years and therefore his age of retirement at the age of 60 years would be 9.2.08. He is therefore rightly retired at the age of 60 years after attaining the age of 60 years.

25. That part, we have document to show that after superannuation the concerned workman sought the information under RTI act about his retirement and respondent supplied the required information to him. Thereafter he submitted a letter to the office of Respondent at Borivali on 11.7.08 stating that he is satisfied with the justification furnished by the office relating to his superannuation. It shows that the concerned workman /claimant was satisfied that his superannuation was on efipropriate date considering his age as 18 years on 10.2.66 at the time of _ his appointment in RDF. In view of that it is not possible to accept the contention of the claimant/workman that he is entitled to work even after the age of 60 years till he found physically fit.

26. Even then the Learned Counsel for the concerned workman submitted that this letter dated 11.7.08 is not proved and in his statement the concerned workman has stated that the contents of the letter were not explained to him. In view of that the submission is that the alleged undertaking/letter is in English and there is nothing on record to show that it was explained to the concerned workman and therefore such type of undertaking is void.

27. It is not possible to accept the contention because on going through this letter, it appears that this letter bears the signature of concerned workman and there is no evidence to show that the signature of the concerned workman was obtained on this letter without explaining the contents thereof. For that the concerned workman has not raised objection or filed any complaint to the authorities in that context to suggest that his signature was obtained on this letter without explaining him the contents thereof. Plain reading of letter shows that the concerned workman was fully satisfied with the information supplied to him and as stated therein, that he shall not make any type of attempt against FCI under any provisions of law relating to his retirement from service.

28. Considering all these facts I find that the action of Area Manager, Food Corporation of India, Borivali in retiring the concerned workman from services w.e.f. 09.02.2008 is legal and justified. Issue No.1 is answered accordingly.

ISSUE NOS. 2 & 3 :

29. In view of my findings to issue No.1, concerned workman is not entitled to any relief. Hence the reference is liable to be rejected.

30. Thus I Proceed to pass the following Order.

ORDER

Reference is rejected with no order as to costs.

AWARD

1. By order No. L-22011/21/2015-IR(CM-II) dated 16.11.2015 the Central Government in the Ministry of Labour, New Delhi in exercise of powers conferred by clause (d) of sub section (1) and sub section (2A) of Section 10 of the Industrial Disputes Act, 1947 (14 of 1947) referred this industrial dispute between the Sri Krishan Pal & 128 others C/o Parvez Alam, Lucknow and the RM,Faizabad/RM, Sitapur/GM, Lucknow of FCI for adjudication.

2. The reference under adjudication is:

"KYA PRABANDHAN, BHARTIYA KHADYA NIGAM F.S.D., SANDILA DEPOT VA ARDC, ME KARYARAT SRI KRISHAN PAL VA 128 ANYA KO NAUKRI SE NIKALEY JAANE KI TARIKH SE SEVA ME NA RAKHA JAKHAR SEVA ME NIYAMIT KARNE VA DIRECT PAYMENT SYSTEM ME INKA NAAM NA JORA JAANA NYAYOCHIT EVAM VAIDH HAI? YADI NAHIN TO KAAMGAR KIS LABH KO PAANE KE HAQDAR HAI?"

3. The workmen in their claim statement W-4, have stated in brief that the petitioner Sri Krishan Pal alongwith 128 others labourers have been working with the Rail Head(Good shed) and ARDC, Sandila Depot under the FCI, since 1985 and they are member of FCI Labourers Union. It has been stated that an agreement dated 23.11.1990 was signed between the FCI Labourers Union and the employer that the petitioners would work in Rail Head (Good Shed) and ARDC Sandila, and salary etc. will be paid to them, accordingly all the labourers are working there and as per the letter dated 18.05.1993 issued by FCI, HO, New Delhi payments were made to them as per the mate system, they were entitled to get payment according to DPS system since 1.4.92 in furtherance of the circular dt. 5.12.94 issued by FCI HO, New Delhi but they were deprived of this benefit, although the Sr.Regional Manager has sent a letter dated 27.3.1997 and the Under Secretary, Ministry of Food, Govt. of India has also issued directions vide letter dated 23.3.1999. The petitioners have further stated that vide order no. F-6 B (Misc-Gen)/94-IR, they were transferred from ARDC, Sandila to FSD, Faizabad; further due to administrative reasons an order was issued for them to work at ARDC, Sandila, District Manager, FCI, Sitapur sent a letter to the Depot Incharge, ARDC, Sandila on 26.08.2000 to issue departmental I.Card to labourers, vide order dated 05.09.2000 and 27.09.2000. Instruction was given by the Asstt. Manager, Sitapur vide order dated 4.10.2000 and 10.10.2000 to Sri Durga Prasad, AG-III, FCI, Sandila to issue I.Cards and thereafter an order for verification of I.Card and bio-data was issued, their attendance was got endorsed in the attendance register and payment was made through cheque.It has been alleged by the petitioners that non compliance of the agreement dated 23.11.1990 and to deprive the petitioners from being regularized and from being paid appropriate salary etc. is clear cut violation of provisions of I.D. Act. and Certified Standing Order dated 31.8.99, unfair labour practice has also been alleged. With the aforesaid pleadings request has been made to regularize the petitioner Sri Krishan Pal alongwith 128 others workmen with all consequential benefits and payment according to DPS system etc.

4. A list containing the name of 129 labourers has been annexed with the claim statement.

5. The management has filed written statement M-7 where in it has been asserted that the dispute has not been been sponsored by any competent union, Sri Krishan Pal has no locus standi to raise this present dispute. The reference is highly belated and it relates to more than 15 years old mater and subsequently it is illegal and without jurisdiction and is liable to be dismissed. The opposite party has stated that there had been no FSD in Sandila, there is no Regional Manager at Sitapur/Faizabad, no date of cause of action is mentioned in the reference order, and no list of claimants is attached with the Schedule/Reference Order.

6. The management has stressed that Sri Krishan Pal or any other workmen have never been appointed by FCI, ARDC Sandila under Direct Labour System. The contract was given to contractor through open tender. Their exists no master and servant relationship between the claimant and FCI, and the management does not have any knowledge as to whether the claimants are members of Bhartiya Khadya Nigam Mazdoor Sangh or not. The opposite party has asserted that there was a quarrel between two sets of unions, and contract labour and both groups did not allow to work each other properly, under such circumstances no work could be done at ARDC, Sandila and thereafter an action has been discussed between two groups and unions viz FCI Workers Union and Bhartiya Khadya Nigam Mazdoor Sangh, but no contract labour or their union worked on the said action plan and they continued to fight with each other. Taking into account grave situation the FCI requested the district authorities, with their help the food grain lying in the ARDC, Sandila was lifted and Godown was vacated and was handed over to its owner in the year 2000. Since there is no ARDC Godown therefore the question of Rail head (good shed) does not arise at all.

7. The management has emphasized that the so called understanding dated 23.11.1990 has not been duly signed in the conciliation proceedings before any Conciliation Officer nor sent to RLC/CLC as required under the provisions of I.D. Act., moreover it has not been signed by FCI workers union and both the group of workers did not act according to the said understanding. The alleged action plan dated 23.11.90 was for particular and limited work, that is to liquidate to old stored food grains of ARDC, Sandila only and not for any other work. The matter is about more than 25 years old hence it has lost its existence.

8. The opposite party has submitted that when the contractor failed to make the payment to the alleged contract labourers, they filed writ petition before Hon'ble High Court and as per the direction of the Hon'ble High Court some alleged payment has been made to the contract labourers, but such type of payment has not created any right infavour of the alleged workmen. The most of the paras of the claim statement have been alleged to be wrong, baseless and misconceived. No order was ever passed to issue I.Card to any person as stated in the claim statement, during the period in question concerned ARDC was closed and later on de-hired in Aug.2000 therefore the question of issuing of any such I.Card does not arise. The management has asserted that as per the directions of Hon'ble Supreme Court no contract labour has any right to claim anything or employment or regularization from the principal employer. In fact there are rackets of 'thugi' who are befooling and cheating the unemployed and innocent persons by assuring them for giving employment in FCI. With the aforesaid averments request has been made to reject the claim statement. Letters addressed to SP,Hardoi by the DM have been annexed with the written statement.

9. With the strong denial of the counter allegations made in the written statement, rejoinder W-8 has been filed, reiterating the facts mentioned in the Claim Statement.

10. The petitioner Sri Krishan pal and Sri Masitullah have filed affidavit W-9 and W-10. They have been cross examined on behalf of the management.

11. The management has filed affidavit M-18 of Sri Amit Tewari, Kshetra Prabandhak and he has been cross examined on behalf of the workman.

12. Written arguments have been filed by both the parties.

13. Arguments of both the Learned AR have been heard at length. Record has been scanned thoroughly.

14. Learned AR for the workmen has submitted that the petitioner alongwith other 128 labourers, who have been working with the "Rail Head Good Shed" at ARDC, Sandila Depot, since 1985 were deprived from being regularized as per rules, agreement dated 23.11.90 was not followed and the management intentionally adopted unfair labour practice. Learned AR for the management while vehemently refuting the above submissions, has emphasized that the present reference is highly belated, infact there had been no FSD at Sandila Depot, the petitioner or other workmen/ so called labourers were never appointed by FCI, ARDC, Sandila. In fact contract was given to some contractor through open tender, it is also doubtful whether the claimants are members of any recognized union or not, the premises and the godown was vacated and its possession was handed over to the owner in the year 2000, therefore, the question of Rail Head (Good shed) does not arise at all. It has also been pointed out that the so called understanding or agreement dated 23.11.1990 has not been signed by the competent authority neither it has created any right in favour of the workmen. Moreover as far as the admission of payment certain sum is concerned it was made in compliance of the directions issued by the Hon'ble High Court, which was pertaining to the some earlier wages.

15. FCI circular dated 5.12.1994 has been referred during the course of argument. Management witness Sri Amit Tewari, Area Manager, FCI, Sitapur has submitted in para 10 of the affidavit M-18 that the said circular dated

5.12.1994 has excluded the Sandila Depot which implies that DPS system was never followed at Sandila Depot. And therefore the said labourers can not be given any benefit there of. Learned AR for the workmen has not put any question to the management witness Sri Amit Tewari on this point. However, the authenticity of said circular dated 5.12.1994 is not disputed.

16. The agreement dated 23.11.1990 is not denied by the parties, however, the management asserts that it has not been duly signed by the competent authority neither its copies were sent to RLC/CLC/Conciliation Officer etc. moreover, the alleged action plan dt. 23.11.90 was for the particular and limited work, so as to facilitate the liquidating task of the old stored food grains of ARDC Sandila only, not for any other work. The claimant themselves have not worked in accordance with the aforesaid document. Learned AR for the workman has emphasized that the management has not complied the understanding dated 23.11.1990.

17. Learned AR for the workman has relied upon the following Rulings;

1. 2004, SCC (L&S), BHEL Vs State of UP and others, page 506
2. 2011 (128) FLR, Kuldeep Singh and GM, Instrument Design Development and Facilities Centre page 121.
3. 1998 ACJ, N.Balakrishnan vs M Krishnamurthy page 1347 Hon'ble Supreme Court
4. 2005(105), FLR, Bank of Baroda vs Ghemarbhai Harjibhai, page 383, Hon'ble Supreme Court
5. (1985)2, SCC, Workman of the FCI vs FCI, page 136

18. Learned AR for the management stressed that the aforesaid citations do not support the case of the petitioner.

19. The management refers the following Ruling;

2015(145) FLR, Awadesh Kumar Sharma Vs Uttarakhand Power Corpn. Ltd. page 979 Hon'ble Uttarakhand High Court.

20. Learned AR for the workmen argued that the above Ruling does not apply to the facts in issue.

21. It has been admitted by the petitioner Sri Krishan Pal in his cross examination dt. 4.10.2016 that the so called I.Cards do not have any date. He has also admitted that at present petitioners are working at SWC, Sandila, some labourers are working and some are optimistic to get employment. Further in cross examination dt. 20.12.2016 the workman Sri K.Pal has admitted that no work was performed at ARDC, Sandila since 28.8.2000 and several I. Cards do not contain the seal and name of the concerned authority. Other witness Mr. Masitullah in his cross examination dt. 31.12.2016 has admitted that the building of Sandila Depot was got vacated on 28.8.2000 and its possession was handed over to its owner and he is not aware whether the FCI Depot has been functioning at Sandila after 28.8.2000, the concerned labourers are working at SWC railway office etc.

22. No such paper has been filed before this court, mentioning any valid authorisation in favour of Sri Krishan Pal Yadav to further proceed with the case on behalf of the alleged other labourers.

23. This material fact can not be ignored that the said Sandila Depot has not been functioning since August 2000 and more over the circular dt. 5.12.1994 does not support the grounds taken by the petitioner before this Court. It has also been an admitted fact that the payment made to the workmen by the management was in furtherance of the direction given by the Hon'ble High Court regarding the previous wages etc, and it can not legitimately create any right in favour of the workmen.

24. After having heard intellect arguments of both the Learned Authorized Representatives of the parties, in the light of the record available before this court, it is inferred that the alleged non regularization or the so called deprivation of the 129 petitioners by the FCI management, can not be treated as illegal or improper. The petitioners are not entitled to any relief.

25. Award as above.
